

# Story Time with Signs & Rhymes

Looking Glass Library

NEW Spring 2012

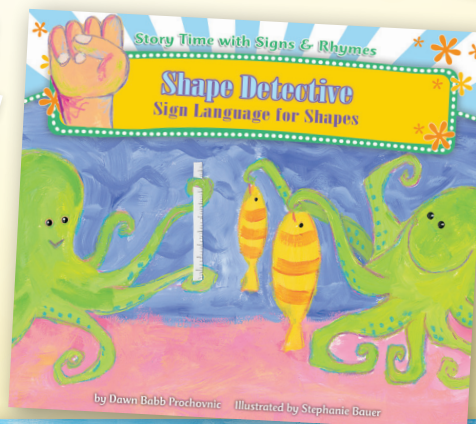

PreK-3  
READING LEVEL:  
Grade 3

Story Time with Signs & Rhymes offers a variety of rhythmic, playful stories for read-aloud fun. American Sign Language (ASL) signs are incorporated into the book design, inviting children to sign along with the story. The result is a literacy-based, finger-play experience sure to engage students and teach signing!

Dewey: E

"The text is lively, and Bauer's colorful illustrations crackle with cartoony energy. The signs themselves are well chosen for the target audience, and the structure of the stories provides a great way to introduce and reinforce basic ASL vocabulary for hearing children."
